150-X-1-.01     Definitions.

(1)           Auction:   A public sale of property to the highest bidder.

(2)           Auction Business or Business of Auctioneering:   The sale, either directly or through agents, or real or personal property at auction or the arranging, sponsoring, managing, promoting, conducting of advertising of auctions.

(3)           Auction Company:   Any legal business entity, including a sole proprietorship, that engages in the business of auctioneering.

(4)           Absolute Auction:   An auction without reserve.   See Auction Without Reserve.

(5)           Auction With Reserve:   An auction in which the seller or his agent reserves the right to establish a minimum bid, to accept

or reject any and all bids and to withdraw the property at any time prior to the completion of the sale by the auctioneer.

(6) Auction Without Reserve: An auction in which property put up for sale is sold to the highest bidder; where no minimum price will limit the bid; where the seller may not withdraw the property from the auction after the auctioneer calls for bids thereon, unless no bid is made within a reasonable time; and where the seller may not nullify the sale by bidding himself or through an agent. "Auction Without Reserve" is equivalent to the term "Absolute Auction." The Practice of deliberately misleading customers/buyers by marketing a property as "absolute" for the sole purpose of obtaining a pre-auction bid which is sufficient to meet or exceed the actual reserve of the seller, with the intention of either converting to a reserve auction or canceling the sale if the strategy is unsuccessful, is strictly prohibited and may be grounds for disciplinary action against the licensee.

(7) Estate Auction: An auction in which all the property advertised and sold is the property of a specified deceased person or the property of a specified living person's estate. (34-4-4)

#### 150-X-1-.02 Application For Auctioneer's License.

(a) Upon application for an auctioneer's license, each apprentice auctioneer must present a statement signed by his/her sponsoring auctioneer, stating that said apprentice has participated as principal auctioneer in the required number of sales during the course of his/her apprenticeship. The applicant must furnish proof of the sales in the form of advertisements containing the applicant's name and license number in equal prominence with the name and license number of the sponsoring auctioneer, and proof that he/she was compensated for his/her services in these sales in the form of copies of canceled checks showing that the monies went through the sponsor's escrow account. (34-4-21)

(b) Non-resident, non-reciprocal applicants must prove they have been active auctioneers during the past five (5) years immediately preceding the date of application. Proof of activity may include some or all of the following and must contain dates which will effectively verify that the applicant has been an active auctioneer

for the five (5) years immediately preceding the application: advertisements containing the applicant's name; copies of closing statements which show the date of the sale and are signed by the applicant; copies of county and or municipal auctioneer licenses; and affidavits from duly licensed Alabama auctioneers that the applicant has engaged in auctions during this time. (34-4-25)

(c) Reciprocity will be granted to those states having licensing requirements of equal or higher standards than Alabama and who have entered into a reciprocal agreement with the board. Applicants for reciprocity from states without an apprenticeship program equivalent to the Alabama apprenticeship program will be required (1) to have been licensed in reciprocating state for two (2) years prior to application for reciprocity, or (2) to have attended auction school and/or have worked in the auction industry in the reciprocating state for the equivalent of a two (2)-year apprenticeship. Reciprocal applicants shall be required to pay any licensure, renewal or application fee in an amount equal to that imposed on Alabama licensees in the reciprocating state and shall be required to meet any other licensure requirements imposed by the reciprocating state by rule, regulation, policy or law; provided, however, that if the reciprocating state imposes licensure, renewal or application fee that is less than that imposed by the Board, the reciprocal applicant shall be required to pay the higher fee. A list of the reciprocating states and their fees or requirements shall be maintained by the Board. (34-4-25)

(d) Any auction company applying for an auctioneer license shall furnish the following information to the Board; for purposes of this rule, an auction company includes any legal entity which engages in the business of auctioneering, as defined by the Auctioneers License Act and the rules and regulations of the Board. An auction company exclusively owned and operated by an auctioneer licensed by this Board and in good standing therewith will be exempt from the requirement for a separate auctioneer license under this chapter. Licensed auctioneers fitting within this exemption must still complete and file an auction company application with the Board, but shall not be required to remit the application or licensure fee. Failure to file a completed auction company application may subject an auctioneer and/or auction company to disciplinary action by the Board, regardless of whether the exemption from a separate auctioneer license applies.

(1) A completed, signed and notarized application form, as prescribed by the Board, accompanied by the appropriate filing fee determined by the Board;

(2) If such company is a foreign entity, satisfactory evidence approved by the Board that such company is authorized to do business in this state and is registered with the Alabama Secretary

of State, in accordance with Article 15 of Title 10, Code of Ala. 1975;

(3) Satisfactory evidence approved by the Board that the auction company employs or shall employ an auctioneer or auctioneers licensed under the provisions of this chapter to conduct any auctions in this state.

(e) Authority to act as an auctioneer and to transact business under the license shall be limited to one officer of the auction company, to be designated in the application and named in the license. Each other officer or member of such auction company desiring to act as an auctioneer in connection with the business of the auction company, or otherwise, shall be required to make application for and take out an individual license in his/her own name. An apprentice auctioneer cannot satisfy this requirement. Written notification of a change in the auctioneer authorized to transact business under the license shall be provided to the Board within thirty (30) days of such change.

(f) Prior to the issuance of a license, each auctioneer or auction company responsible to account for or remit funds of others that come into its possession shall provide the name of the bank and the account number of any escrow or trustee account wherein the funds of others held by the auctioneer or auction company are maintained. Any licensed auctioneer in Alabama who works directly for an auction company or who works directly for another licensed auctioneer who maintains an active escrow account may use that escrow account and number in all applications for licensure or renewal, provided that the escrow account is used solely for the purpose of holding funds of others in relation to auctions.

(g) Authority to transact business as an auctioneer under any license issued by the Board shall be restricted to the person named in such license and shall not inure to the benefit of any other person.

(h) Incomplete applications will be returned to the applicant with a letter describing deficient items to be completed and returned to the board. Incomplete applications will be considered expired after one (1) year from the first date of notification of such deficiencies. (34-4-4)

(i) Upon the expiration of a license in good standing due solely to licensee's failure to renew, the Board may reissue the same license number to said licensee upon his/her written request therefor and successful completion of all requirements for re-licensure within 365 days from the date of expiration of the unrenewed license. The Board shall not reissue the same license number to any former licensee who does not successfully complete the licensure requirements within said period, despite any request therefor.

**APPRENTICE AUCTIONEER'S AFFIDAVIT**

As an Apprentice Auctioneer, I hereby certify my acceptance of and compliance with the following regulations governing my apprenticeship:

1. I understand that my Sponsoring Auctioneer must directly supervise any auction sale that I conduct and that he/she must be present at the auction sale site. In the event my Sponsoring Auctioneer cannot attend a particular sale, he/she must make a written appointment of a qualified, licensed Auctioneer to act in his/her stead at that sale in compliance with the Board's requirements and file the appointment with the Board office in advance of the sale.
2. I understand that I may not call bids at an auction unless my Sponsoring Auctioneer or his/her designee is present at the auction.
3. I understand that I may not enter into an agreement to conduct an auction without my Sponsoring Auctioneer's express written consent noted on the document; I may sign a contract in order to indicate that I procured the client and the auction.
4. I understand that any advertisement for an auction sale must clearly and conspicuously identify the name and ASBA license number of my Sponsoring Auctioneer in equal prominence with my name and state license number, if I will be conducting auction business.
5. I acknowledge and understand that any and all funds I receive from auction sales must be maintained in my Sponsoring Auctioneer's escrow account and that the Sponsoring Auctioneer is solely responsible for keeping the account of and dispersing any and all monies received at auction. I further understand that I may not sign a closing statement or have an escrow account in my name as a depository for auction proceeds; however, I may take part in the closing and settlement proceedings of an auction.
6. I understand that both I and my Sponsoring Auctioneer are required to maintain current bonds as required under Alabama law.
7. I understand that my license must remain in my Sponsoring Auctioneer's possession and that my license remains valid only so long as I remain under my Sponsoring Auctioneer's employment or supervision. In the event I am discharged/terminated from my employment with my Sponsoring Auctioneer, I understand that my Sponsoring Auctioneer will immediately deliver my license to the Board office or mail it to the Board office by First Class or Certified Mail, together with the written notice of termination, within thirty days of the termination of my sponsorship. I understand that I may not conduct any auction business or perform any acts under my license until I obtain a new Sponsoring Auctioneer and a new license bearing the name and address of the new Sponsoring Auctioneer.
8. I understand that in order to meet the requirements for licensure as an Auctioneer, I must serve at least two years under the Sponsoring Auctioneer and have been the principal auctioneer in at least ten auctions of real or personal property during my apprenticeship. If I completed the prescribed course of study at an accredited auctioneer school approved by the Board, I must serve a one-year apprenticeship and must have been the principal auctioneer in at least five or more auctions of real or personal property during my apprenticeship.
9. When I have completed the required number of months as an Apprentice and conducted the required number of sales, I understand that, along with the list of required auctions, I must submit proof that my Sponsoring Auctioneer's name was included on the advertisements for all such auctions and copies of cancelled checks showing that the auction funds went through the escrow account of my Sponsoring Auctioneer.
10. I understand that an Apprentice Auctioneer cannot be named as the principal auctioneer for any auction company.

11. I understand that while I am an Apprentice, I may be employed by another licensed auctioneer (other than the Sponsoring Auctioneer) if I notify the Board of such employment, as required by the Board office. The notification must include my Sponsoring Auctioneer's written agreement and the agreement of the non-sponsoring employer auctioneer to assume the duties of the Sponsoring Auctioneer during the term of employment. The form must be signed by me, the Sponsoring Auctioneer and the non-sponsoring employer auctioneer. The non-sponsoring employer auctioneer must meet the same requirements as the Sponsoring Auctioneer, including being currently licensed as an auctioneer in good standing in the state of Alabama and a resident of this state.

12. I acknowledge and understand that my failure to abide by these requirements and any other applicable laws or Board rules may result in disciplinary action being taken against me and/or my Sponsoring Auctioneer, including, but not limited to, the suspension or revocation of either license.

13. I understand that the revocation of my Sponsoring Auctioneer's license will automatically suspend my Apprentice Auctioneer license. I may retain my license by transferring to the employment of another licensed Auctioneer within twenty-one days.

If asked to do so, I agree to appear in person before the Alabama State Board of Auctioneers in connection with my application.

**AUCTION COMPANY OWNER'S AFFIDAVIT**

As Owner of \_\_\_\_\_ (the "Company"), I hereby certify my acceptance of and compliance with the following regulations governing the conducting of auction business on behalf of the Company:

1. I understand that every company conducting auction business in the state of Alabama is required to have a Principal Auctioneer.

I have provided a copy of the Company's official meeting minutes, resolution or other official action evidencing the Principal Auctioneer's election to that corporate office or his/her stated position in the Company.
3. I understand that if I am an Apprentice Auctioneer, I do not qualify to serve as the Company's Principal Auctioneer, even if I am the Company's owner. Only a duly licensed Auctioneer may serve as the Principal Auctioneer for an auction company.
4. I understand that if I am the sole owner and operator of the Company and a licensed Auctioneer in the state of Alabama, I am exempt from the requirement to obtain a separate auction company license, but I must still submit a completed auction company application form to the Alabama State Board of Auctioneers for its records. 8. I understand that any Company advertisement for an auction sale must clearly and conspicuously identify the Principal Auctioneer's name and state license number, together with the name and state license number of any other Auctioneer responsible for the auction. In addition, Internet advertisements for specific auctions with online-bidding must also list the name and state license number of the Company's Principal Auctioneer.
9. I acknowledge and understand that any and all funds received from auction sales by the Company must be maintained in the Company's or the Principal Auctioneer's escrow account, as applicable.
10. I understand that as the Company's owner, I may keep account of and disperse any and all monies from the Company's or the Principal Auctioneer's escrow account, on terms agreed to by me, as the owner, and the Principal Auctioneer.
11. I understand that the Company and the Principal Auctioneer are both responsible to notify the Alabama State Board of Auctioneers if there is a change in the Company's Principal Auctioneer. I understand that this information must be provided to the Alabama State Board of Auctioneers in writing within thirty (30) days of such change.

12. I acknowledge and understand that my failure to abide by these requirements and any other applicable laws or Board rules may result in disciplinary action being taken against me, including, but not limited to, the suspension or revocation of my Company's auction license.

I hereby certify that I have read the Company's application in its entirety before signing this Affidavit and that, to the best of my knowledge, all of the information contained therein is true and correct. If asked to do so, I agree to appear in person before the Alabama State Board of Auctioneers in connection with the application.

7. I understand that only a licensed Auctioneer may offer, negotiate, or attempt to negotiate a contract for the sale of any goods or property, including real property, by means of public auction on behalf of the Company. I understand that it is a violation of Alabama law if an Auctioneer fails to enter into a written contract with the owner or cosignee of any property to be sold at public auction containing the terms and conditions on which the Auctioneer received the property for sale.
8. I understand that only a licensed Auctioneer may cry bids for any public auction held by the Company. I understand that once the Company obtains its auction company license, it may contract with other licensed Auctioneers to cry bids for the Company.
9. I understand that any Company advertisement for an auction sale must clearly and conspicuously identify my name and state license number, as the Principal Auctioneer, together with the name and state license number of any other Auctioneer responsible for the auction. In addition, Internet advertisements for specific auctions with online-bidding must also list my name and state license number as the Company's Principal Auctioneer.
10. I acknowledge and understand that any and all funds received from auction sales by the Company must be maintained in the Company's or the Principal Auctioneer's escrow account, as applicable.
11. I understand that the Company's owner may keep account of and disperse any and all monies from the Company's or the Principal Auctioneer's escrow account, on terms agreed to by the owner and the Principal Auctioneer.
12. I understand that I and the Company are both responsible to notify the Alabama State Board of Auctioneers if I am no longer serving as the Company's Principal Auctioneer. I understand that this information must be provided to the Alabama State Board of Auctioneers in writing within thirty (30) days of such change.

13. I acknowledge and understand that my failure to abide by these requirements and any other applicable laws or Board rules may result in disciplinary action being taken against me, including, but not limited to, the suspension or revocation of my Auctioneer license.

I hereby certify that I have read the Company's application in its entirety before signing this Affidavit and that, to the best of my knowledge, all of the information contained therein is true and correct. If asked to do so, I agree to appear in person before the Alabama State Board of Auctioneers in connection with the application.

**SPONSORING AUCTIONEER'S AFFIDAVIT**

As Sponsoring Auctioneer, I hereby certify my acceptance of and compliance with the following regulations governing the sponsorship of \_\_\_\_\_, as an Apprentice Auctioneer:

1. I hereby certify that I am a resident of the state of Alabama, that I have been licensed as an Auctioneer in this state for at least two years and that my license is currently in good standing with the Alabama State Board of Auctioneers.
2. I agree to assume responsibility for the acts of the Apprentice in the conduct of auction business and sales, and I agree to be present at the sale site and directly supervise any auction sale conducted by the Apprentice. In the event I cannot attend a particular sale, I agree to make a written appointment of a qualified, licensed Auctioneer to act in my stead at that sale in compliance with the Board's requirements and file the appointment with the Board office in advance of the sale.
3. I understand that the Apprentice may not call bids at an auction unless I, or, if I am unable to be present, my designee are present at the auction.
4. I acknowledge my responsibility as Sponsoring Auctioneer to execute any legal document relating to conducting or offering to conduct any auction. I understand that the Apprentice may not enter into an agreement to conduct an auction without my express written consent noted on the document. The Apprentice may sign a contract in order to indicate that he/she procured the client and the auction.
5. I understand that any advertisement for an auction sale must clearly and conspicuously identify my name and ASBA license number, as the Sponsoring Auctioneer, in equal prominence with the name and state license number of the Apprentice, if he/she will be conducting auction business.
6. I acknowledge and understand that any and all funds received from auction sales by the Apprentice must be maintained in my escrow account as the Sponsoring Auctioneer and that I am solely responsible for keeping the account of and dispersing any and all monies received at auction. I further understand that the Apprentice may not sign a closing statement or have an escrow account in his/her name as a depository for auction proceeds; however, the Apprentice may take part in the closing and settlement proceedings of an auction.
7. I understand that both I, as Sponsoring Auctioneer, and the Apprentice are required to maintain current bonds, as required under Alabama law.
8. I understand that the Apprentice's license must remain in my possession and that the Apprentice's license remains valid only so long as the Apprentice remains under my employment or supervision. In the event I discharge/terminate my employment with the Apprentice, I agree to immediately deliver the Apprentice's license to the Board office or mail it to the Board office by First Class or Certified Mail, together with the written notice of termination, within thirty days of the termination of the sponsorship. I understand that the Apprentice may not conduct any auction business or perform any acts under his/her license until he/she obtains a new Sponsoring Auctioneer and a new license bearing the name and address of the new Sponsoring Auctioneer.
9. I understand that in order to meet the requirements for licensure as an Auctioneer, the Apprentice must serve at least two years under the Sponsoring Auctioneer and have been the principal auctioneer in at least ten auctions of real or personal property during his/her apprenticeship. An Apprentice who has completed the prescribed course of study at an accredited auctioneer school approved by the Board must serve a one-year apprenticeship and must have been the principal auctioneer in at least five or more auctions of real or personal property during his/her apprenticeship.

10. When the Apprentice has completed the required number of months as an Apprentice and conducted the required number of sales, he/she must submit, along with the list of required auctions, proof that the Sponsoring Auctioneer's name was included on the advertisements for all such auctions and copies of cancelled checks showing that the auction funds went through the escrow account of the Sponsoring Auctioneer.

11. I understand that an Apprentice Auctioneer cannot be named as the principal auctioneer for any auction company.

12. I understand that the Apprentice may be employed by another licensed auctioneer (other than the Sponsoring Auctioneer) if the Apprentice notifies the Board of such employment as required by the Board office. The notification must include my written agreement as the Sponsoring Auctioneer and the agreement of the non-sponsoring employer auctioneer to assume the duties of the Sponsoring Auctioneer during the term of employment. The form must be signed by me as the Sponsoring Auctioneer, the Apprentice and the non-sponsoring employer auctioneer. The non-sponsoring employer auctioneer must meet the same requirements as the Sponsoring Auctioneer, including being currently licensed as an auctioneer in good standing in the state of Alabama and a resident of this state.

13. I acknowledge and understand that my failure to abide by these requirements and any other applicable laws or Board rules may result in disciplinary action being taken against me and/or the Apprentice, including, but not limited to, the suspension or revocation of either license.

14. I understand that revocation of my Auctioneer license will automatically suspend the Apprentice's Auctioneer license. The Apprentice may retain his/her license by transferring to the employment of another licensed Auctioneer within twenty-one days.

I hereby certify that I have read \_\_\_\_\_'s completed Apprentice Auctioneer application in its entirety before signing this Affidavit and that, to the best of my knowledge, \_\_\_\_\_ is a person of honesty, truthfulness and integrity. If asked to do so, I agree to appear in person before the Alabama State Board of Auctioneers in connection with the application.
