Vice Chairman Fisher welcomed everyone attending the meeting. A word of prayer was given at the opening of the meeting and the pledge of allegiance was recited. Mr. Warren gave the opening statement concerning Roberts Rules of Order and the Alabama Open Meetings Act.

Oath of Office: Mr. Warren administered the oath of office to new member, Mr. Scott Barnes. The Board welcomed Mr. Barnes to the Board.

Approval of Meeting Agenda: Vice Chairman Fisher called for a motion to accept the meeting agenda. Mr. Gray made a motion to approve the June 6, 2023, meeting agenda as presented. The motion was seconded by Mr. Pearce and unanimously approved by the Board.

Approval of Minutes: Vice Chairman Fisher reported that a copy of the minutes from March 14, 2023, Board meeting was distributed to the members prior to the meeting for their review. Mr. Pearce made a motion to dispense with the reading of the minutes and approve the March minutes as presented. The motion was seconded by Mr. Gray and unanimously approved by the Board.

Executive Director Report: Mr. Warren presented the Executive Director's Report, which included

financial activities of the Board for the period ending April 30, 2023. He reported on the current number of licensees, along with the results of applicant examinations and provided a list of companies that had applied for a single-day license. He also reported on the number of complaints received during FY 2023 and provided a similar report for FY 2021 and FY 2022 complaints, and disciplinary fines during this same period (reports available in Official Book of Minutes). Mr. James commented on complaints that were withdrawn, indicating that this sometime occurred when the complainant realized that the Board did not have jurisdiction regarding the matter.

Mr. Warren reviewed some of the activities accomplished by the staff since the last Board meeting held in March (report available in Official Book of Minutes). He commented on the photos and articles submitted for the Board's newsletter, which was soon to be released and posted on the Board's website.

Mr. Gray made the motion to accept the financial report as presented. The motion was seconded by Ms. Morgan and unanimously approved by the Board.

Legal Counsel Report: Mr. Chris Moore reported on closing a few cases received in FY 2020 that the auditor did not find reference in the Board's minutes as being approved by the Board. He presented the following cases:

Case 2020-002 – close case that involved a complaint against a company and the company closed.

Case 2020-003 – close case that had been settled with a signed consent agreement.

Case 2020-004 – close the case as unfounded.

MOTION: Mr. McDaniel made the motion to accept the Investigative Committee's recommendations to close the cases as presented. The motion was seconded by Mr. Pearce and unanimously approved by the Board.

Mr. James explained that cases determined as unfounded did not rise to the level that required Board disciplinary action, and cases determined as no jurisdiction of the Board were also in the category that required no action by the Board.

The Board discussed previous conversations about a board member consulting on complaint cases in their district. Mr. Warren explained that the procedures were changed, and the Board Vice Chairman served on the Investigative Committee (IC) and explained that this shielded the Board from liability of knowledge about the complaint during the decision-making process, and in some cases, information was redated in considering action on a case. The Board discussed the caseload for the member serving on the IC and agreed to reevaluate the IC appointment and the Board would determine who would serve on the IC in the future.

Rules Committee Report: Mr. Warren reported that the Rules Committee had no new assignments to present.

Update on Association Activities: Mr. Pearce reported that Board members were honorary members of the Alabama Auctioneers' Association, and he invited them to the annual Association meeting to be held at Gulf Shores in September. Mr. Warren reminded the Board about the State's procedures for RFPs and vendors for media campaigns. The Board discussed determining an amount for advertising. An example discussed as \$10,000 - \$25,000 in a fiscal year, or \$1,500 per month, and create criteria and specifications for vendors to present proposals.
